Terms & Conditions

Receipt of a signed copy of this order form will be deemed acceptance of these Terms and Conditions.

1. All prices exclude GST.
2. All items are on a hire basis only.
3. All items will be the responsibility of the client whilst in their care. Any damage or loss of items will incur charges.
4. The client is to provide a safe two-socket electrical supply handy to the desired location of the tree.
5. An invoice will be issued on receipt of signed order. Please note our payment terms are 7 days. The installation date will not be confirmed until payment has been received.
6. Whilst we take all precautions to install the tree with full working lights and ensure the lights are working through the hire period, sometimes circumstances outside our control result in the lights failing. We will ensure their working order before leaving the site after installation. Extra charges will apply to return and replace non-working lights during the hire period.
7. Any trees required outside of Wellington may incur a surcharge depending on the location (POA).
8. We reserve the right to take photographs of all trees and decorations for marketing purposes.
9. Tree numbers are supplied with our trees. Loss or damage of these numbers will incur a \$100.00+GST charge. Please request removal at time of install, if you don't wish to have the number on display.
10. All 15ft trees require a scissor-lift for installation and removal. This is included in the price. We need suitable access for this equipment, so please take this into account when planning the tree's location.

I agree to the above Terms and Conditions.
